From the Editor . . .

Sometimes you just have to be as 'timely' as possible, and that was our goal with this issue. But in a different way than you are used to. After we all worked so hard all year long to get those show birds hatched, raised, and conditioned it all came to a culmination with some of the largest and most important shows scheduled for January after our issue deadline. The 2020 dates included both the 2019 APA Semi Annual Meet and the 2020 ABA Annual Meet. Both were held in mid to late January. That is why we are just a few days late getting this issue out. We really wanted to include both of these important shows in this issue before they were old news. Also included in this issue is our APA District #7 Meet show results (our area).

This issue is really heavy with show results and I hope you all enjoy seeing all the photos. More so than in previous issues we have photos of exhibitors *with* their birds—not just birds by themselves. It is nice to put names with faces on some of these top breeders especially if we rarely get to their parts of the country to meet in person.

There are a number of important events happening right now—not the least of which are the APA elections. All APA members should have received their ballots by now and we have a number of choices this time around for the major offices. Please give your vote some serious thought, make your best choice, and don't forget to mail them by the deadline. Mine and Andrew's have already been sent.

Last year is finished and we are on to the 2020 show season as I type this message. I am already hatching chicks for this Fall's shows and plan on staying home this Spring since my best birds are laying, fertile, and in the breeding pens. For those of you attending the ever increasing numbers of Spring shows - best of luck to you! Let's hope the groundhog was right this year and we have an early Spring!

February APA News

Hello to all of the dedicated poultry fanciers! I hope the winter has been kind to you so far. I am writing this on January 10th and it has been fairly mild here and very warm the last few days. The weather man says it will be seventy-five degrees tomorrow! It certainly makes taking care of the birds much easier if you don't have to break ice all the time.

2020 is an election year for the APA. As is required by the Constitution and By-Laws, ballots were mailed to all Annual, Life, and ETL members who were in good standing on 12/31/2019. This means that if your membership expired before 12/31/19 and you did not pay your dues until after that date, you will not receive a ballot. The rules state that ballots must be postmarked no later than 30 days after being mailed out and must be received no later than 40 days after being mailed out, so make sure you get yours in the mail early enough to insure it gets counted. One issue I noticed that was a problem in the last election was a failure on the part of some to put their name and return address on the larger envelope used to return the ballot envelope. This must be

done so that I can verify it is coming from an eligible APA member. That envelope is separated from the ballot envelope and only the sealed ballot envelopes are sent to the Election Commissioner. How you choose to vote is entirely confidential. If you do not receive a ballot and believe you should have, please contact the office and we will get it taken care of. Our January issue of the News and Views contained statements submitted by the candidates in contested elections and I encourage you to read these before casting your vote. Regardless of the outcome, I want to extend a big THANK YOU to all of those who volunteered of their time and talents to serve the APA.

By the time you read this our 2020 Semi-Annual hosted by the Pearl River Classic will be history. I have never been to Mississippi and am very much looking forward to the trip. Congratulations to all of the winners and thanks to all of the folks who worked hard to make the show happen. Also thank you to the host club for providing the meal before our Board meeting on Friday evening.

I want to close this month by thanking some individuals for their efforts to support and promote the APA. John Monaco is retiring as President having served the limit of two consecutive terms. It has been a pleasure to work with John as I have tried to learn how to do the job of Secretary. Dave Anderson will be leaving the Board as John will

now become the District Director At Large. Thank you, Dave, for all you have done for the APA and your continued work as Chairman of the Yearbook Committee. District Directors Dick Horstman, Tim Bowles, and Paul Monteith have chosen to not seek reelection to their positions on the Board. I have known all three of these gentlemen for many years and deeply appreciate the confidence you have shown in asking me to try to fill Pat Horstman's shoes. All of the people I have mentioned have been an important part of the leadership team of the APA. Please let them know you also appreciate their service when you meet up with them at a show!

David Adkins
Secretary
American Poultry Association

ABA Happenings February

I am swamped working through the balance of 2019 show reports. I know many of you are waiting patiently for your notifications and I thank you for your patience. It is a large task and I expect completion late in February. Soon thereafter you

will see notices of those who have made the coveted award tiers within the ABA. Citation of Merit (when 5 starred wins of the same breed and variety are won) – Master Exhibitor (when 20 starred wins are attained) and Master Breeder (when 20 or more starred wins are attained over a period of not less than five years).

Please remember to order your 2020 Legbands soon! As of this date we have plenty – but they go very quickly and are in high demand.

If you have not purchased the latest ABA Bantam Standard – now is the time to do so. We have added a whole new color section to the larger book (\$50)

showcasing the champions at our National meets over the years. It is a testament to your hard work. You can get yours at www.bantamclub.com. We also offer a modified mini version without any color photos for a very nominal \$10.00.

The ABA office is busy as it always has been – but it seems even busier. The demands of doing business in the year 2020 – when everything moves at lightning speed are great. The Board of Directors of the ABA will be meeting to discuss how to tackle “life in the fast lane”.

If you are an ABA member and have a desire to get involved, we will be having an election in 2021. There will be

more information soon coming to you in this regard.

If you are not already an ABA member and would like to join, dues are \$25 per year, \$70 for three years, or \$100 for five years. All ABA members are able to compete in our awards program, receive 4 newsletters a year and of course, our annual yearbook. Consider joining today and help support your ABA for the fanciers of tomorrow. Join online at

www.bantamclub.com. Our mailing address is PO Box 127, Augusta, NJ 07822. We are always welcoming new members!

Thank you - Karen Unrath -
ABA Secretary
